Such a sad day it is for me. I just went online to find Leslie's contact information for some real estate advice and found that she passed. When we first bought from her in the area she made us feel so comfortable and at home. I loved her. She always had a bottle of Dewers in her desk and a good story with that gruff voice. She watched my kids grow up. She will be truly missed. She was a great ole dame. I'll miss my fellow Gemini. Rebecca Schultz

My condolences to the family, especially Skip. I always enjoyed being with Leslie, always a good laugh, food and a good time. She was always walking in our neighborhood with Blizzard and then Destiny. She was a formidable woman who was kind, smart and fun. She will be missed by all.
