We are so sorry to hear of our Uncle Del's passing. We are so thankful he got to spend such great times and share so many memories with you guys, Christian and Chris. The smile on his face in all the photos with you guys really shows how happy he was! I have attached a few photos. We had the opportunity to have Uncle Del on a Caribbean Cruise with us and there are 2 photos with the brothers together. The one on the floor had us all worried that one of them had fallen, but they were just resting waiting for the doors to open to go in for dinner! One is of Uncle Del with his sister Delores (Dee) and my dad Bob Morris. This was taken when they were all together in 1985 for my wedding! The other two are of my dad and the Morris girls, as we were called. Yep! 5 girls! Our thoughts and prayers are with you all there and thank you for sharing so many photos and memories on Facebook. So wonderful to see how happy Del was! Sheri (Morris) Thoenke
