My sincere condolences to Bill's family. We grew up together in Shamokin, Pa. As we got older and went our separate ways, I lost track of Bill. I was pleased to be in touch with him again when he called a few times and then upon learning we only lived 2 hours away from one another, and also happy we could stay in touch on Facebook. We talked about getting together some time, and I deeply regret we never made that happen. Many prayers to Bill's wife and children at this sad time. God Bless you cousin Bill, and may you rest in Gods arms. Judy (Sobities) DiRienzo Newark, Delaware
