so sad to hear of Bob's passing. I graduated with him and played with him on the basketball and baseball teams The 1961 Vikings went 19-3 and won a playoff game, so exciting! Always enjoyed his positive attitude and always had a smile on his face. He wrote the nicest letter to us for the last class reunion telling us why he couldn't attend, but said, "God willing, he would be at the next one" He will certainly be missed.Ed (Tucker) Lowry

Remembering Bobby from here in Shanksville. I worked with him for Alvin Manges assembling Honda motorcycles that came in crates from Baltimore in the summer of 1965. As a member of the class of 66 I remember Bobby as the "James Dean" of town. Enjoyed bikes, leather jackets, and the wild side of life here. Sounds like he had a good life in the Chesapeake area with a nice family and friends. With sympathy,Chuck Wagner

Bob & Karl went deer hunting together. We spent a couple of nights in an old hunting club cabin. The only heat was a fireplace! Bob got sick one night & Karl spent most of the night carrying wood in to keep warm! We often kidded about that night! Rest in peace, Bob!
