I was so happy to get to know Lavonne here in Delaware and her lovely daughter and son in law. I helped provide companionship to Lavonne on some days, with trips to the boardwalk, lunch, the park and shopping malls, she was up for anything and enjoyed herself so much. She was great company for me as well, as she loved to sing and had a great voice, there was always singing on our trips and lots of laughing. Lavonne had such a little girl giggle and way about her most times, I will miss my friend. I'm so sorry Debra, I know your heart is broken, but please know that her love for you was great and she always talked about "her" Debra. You were the best daughter and caregiver you mom could have ever have had and your devotion to her was wonderful to see. Wanda Wendell
