I am so sorry for your loss. She was such a sweet child and a lovely woman. I remember babysitting her when she was 2 and sitting in the doorway at 618 West 3rd. I still remember feeding her fish, and between every bite she had to have a spoonful of ice cream. I know she is in Heaven with God. You are all in our thoughts and prayers. Love, Cousin Judy (Peart) Leventry

I'm so sorry to hear of the loss of my friend Kathy. We were neighbors and classmates, and those of us who attended the Ursuline Class of '64 50th reunion were so glad to see her there. She experienced great loss in her life and I'm so glad that she was able to find happiness in her family - sons, grandchildren, and supportive siblings. As time goes on I hope that all of you will find comfort in remembering the happy times you shared with her. Unfortunately a longstanding commitment prevents my being able to attend the Mass tomorrow. Jack and I will send a donation to Meals on Wheels. Sue McLaughlin Holloway

In our youth cousin Kathy was a favorite relative. The daughter of aunt Betty and Uncle Bitsy who I greatly admired, always had a special place in our hearts. We shared the loss of Charlie in the Vietnam War. The song "Bridge over troubled waters" still brings me heartbreak. We are inspired by her overcoming the struggles this tragedy brought. And we are greatly pleased that she found happiness and success in her life. We can only imagine the sense of loss for her children and grandchildren, but we encourage you to always remember her strength and her love. Our sincere regards for the wonderful Grandell family, Larry and Mary Ann Peart.

Al and Family I'm so very very sorry for your great loss. Kathy and I became friends when I was a single Mom. She had the most beautiful smile but I could see by her eyes that her life had drastically changed when she lost the love of her life! Thank you Al for giving me her number after we lost our connection after she moved and I remarried. The last day I spoke to her she, was so happy! She was waiting for Danny to pick her up to go to his house and spend time with the baby! She didn't want to talk long for fear she would miss him. She was so happy and sounded great! I wish I had the chance to see her in person again. I had no idea she was so sick. God Bless Her and I hope now she will Rest In Peace and be rejoined with her parents and Charles ❤️🙏
