Aunt Moe I will always remember seeing you every time I came to Rehoboth. Even as a little girl I have known you my entire life. You always had a smile and hug then came a kiss and I Love You. You loved my mom and dad and now you and Uncle Ken are back with them both. When I am at the home in Rehoboth I will miss not being able to call you and tell you I arrived safely. I will miss not seeing you and Uncle Ken walk through the door to visit, especially after church on Sunday. You loved to see the dogs and the kids. It will be hard but I have great memories until I see you both again. The kids are doing well and both are in college. Austin in doing architecture work and Mikayla is busy with her acting,singing and musical career. In addition she has been accepted at two colleges and will be studying at Harvard after her first 4 years in theater. You would be proud of them both. They loved you as I do. Prayers for your family at this time. I know you are watching over us all. God Speed.
