I was a good friend of Tommy's back in the late 60s early 70s when he lived off Kirkwood Highway. Me Tommy, Robin Thomas and Kevin Simmons used to hang out on Main Street back in the day. I moved to California and lost contact but for the past 20 plus years, I have been looking and waiting and wondering when I would run into Tommy again. Of course this is not the way I wanted to see him. Tommy was one of my coolest White buddies. Rest In Peace my pal. Bump

Tommy had a heart of gold. My time working with him in our 20's was good and we got to know each other over those 10 years as young men. Playing softball with the BOMBERS. There was a friendship and a bond. A good soul. Good memories. He will be missed.
