Our hearts are broken. Ernie was a wonderful neighbor. He always invited us to come across the street for crabs. He was always there if we had any heat/AC problems even after he moved. Hugs and prayers go out to his family. Todd and Donna Ratledge

May the whisper of the wind, the gentle kiss of the butterfly, the song of the birds and the ripple of the ocean forever reflect your soul and give your family the comfort they need until you meet them again one day in the comfort of Gods home. Love you
