I had the pleasure of working at CCBC during Gail's tenure and though we worked in different divisions and buildings we struck up a friendship. She was so knowledgeable in the HR field and never hesitated to assist when I inquired. More importantly, we enjoyed many days of banter and laughter. We continued our connection through Facebook and her wit always shown through. With her passing a light has been dimmed and I will notice. I am grateful for the time that she was a wee part of my life.

We were coming to know Gail as a kind, thoughtful, witty, and artistic friend who always seemed to find a way to make every occasion brighter. Our shared New Year's celebrations and trivia nights are among our fondest memories. We regret having had such a short time with her. God bless you, Gail, may you find peace and the same beauty you portrayed in your art.

From the very 1st time we met, finding just the "right place" & getting to know you over the years! BUT I never knew Gail had such a talent & gift for Art ! Her work is beautiful & it never failed to amaze me. I always enjoyed seeing her posts of what she had painted! And I always enjoyed driving by the Townhouse during the Holidays, to see how you & She had decorated! What a treat it was all of us neighbors! I want to say THANK YOU to her & to your Family. I hope that your Memories will fill your hearts at this most difficult time. I'll always remember her smile ! She will continue to brighten the Lives of so many people. God Bless!

I first met Gail when we both worked at CCBC. She was beyond helpful when I was ready to retire and had so many questions that affected my future. Then as her "friend" on Facebook, I always enjoyed her many posts of travels, parades, crabs, awesome ice cream spots and mostly of her beautiful paintings, which truly showed her admiration of the beauty that surrounded her! I hope that you take comfort in how she enjoyed her life. I am very sorry for your loss, Greg, Becky & family! Sincerely, Nancy & Bill Bush
