I have fond memories growing up with Mark and his brothers. My absolute favorite memory is an early one (kindergarten/1st grade) involving Mark, my partner in crime, a can of brown paint and our neighbor's car. Yes, we decorated the exterior of the car and ourselves with lots of brown paint! Our poor parents!!! Mark was one of my favorite cousins as "fun" just seemed to follow him. He was genuine, warm and caring. It has been a while since our paths have crossed. I will always remember his delightful sense of humor and the charming twinkle in his eye. I would like to extend my deepest sympathy to his family- With Love, Linda Brown
