George Singo posted:

I didn't know "Top Jimmy" for too long, but he instantly became one of my favorite people. On most week days, we would work-out in the Baywood Gym in the dark AM hours, while watching the news and talking baseball or politics. We had lots of laughs as we somehow got up the energy to exercise while most smart people were still sleeping. I'll miss Jimmy, but always think of him when I'm in that little gym or have to sit through some stinkin' Yankee highlights - ha! I'll miss you, buddy! George and the Singo's of Greens Way
