I feel so honored in meeting Mr. Tassone. I talked to him for half an hour and he talked about his wife and sons, you could tell he had some much love for his family. Again I feel so honored in getting to meet him and getting to know him in such a short amount of time. I am so grateful for receiving the Ellen Tassone Oncology Scholarship that he created to honor his wife. I plan to honor them both, by graduating and becoming the best nurse that I can be and caring for individuals with cancer.

Tazz was a friend and neighbor for many years. He was one of my husband's "coffee" buds, which got the guys out of the house for an hour a day when John could make it. Tazz will be missed running our community which kept him busy. Just won't be the same around here at HS.
