So sorry to learn of the loss of Sandy, she was always so fun to be with; as a child, I always enjoyed playing concentration with cards at her family's home, I remember talking to her and her Mother through our kitchen window regularly as we were neighbors, and I remember her wedding day, and how happy she always was with her family. May she meet our Savior, Jesus Christ and rest in peace. Sincerely, Michelle S. Fielding, CCH

I agree with Rita Ann. I sat across from Sandra in so many biology labs and especially enjoyed her laugh. Sandra was great at Dunbarton and great at life! My deepest sympathies and prayers are with the family. Maureen Ruane Costas

A great classmate in biology at Dunbarton. Always full of pep and lots of laughs. Her story of taking fruit flies home to Pittsburg to keep them going and ether she carried with her were classic! Never could do it today! It was so great to see her at the reunion. I will hold memories as she lives on through her friends and family. My thoughts are with all those close to her. Kren Family,I was heartbroken when my dad sent me the news of your loss. I have such fond memories of the many times that our families spent together when I was growing up. My wife Chris and I were talking tonight and we both had the same thought about how my mother Arlene and Sandy are going to be busy catching up on the latest gossip and talking about their families. Their friendship was very special in life and I know that it continues. Sandy was so very kind and a blessing to all of us. The world was better because she was in it. You all have our deepest sympathy and we will keep her and you in our thoughts.Larry & Chris Voss

Uncle Fred, Jackie, John and Mark.....we will truly miss Aunt Sandy but we will forever keep the sweet memories of her in our hearts. I have fond memories of visiting your home in Pa as a young girl...enjoying your beautiful back yard and sitting (as a young southern girl) and listening to Aunt Sandy and loving her accent.....she was funny and so pleasant to be around! She will be missed here on earth, but as believers, the hope we have, is that one day, we will see her again! Prayers of comfort and peace throughout this season over the family!
