My sincere condolences to her family and friends. Connie was a very old friend of mine, almost 40 years. We had many good times and I did value her input on so many issues. I was hoping to celebrate our birthdays together as we often did before she left for Florida. However, her premature departure from this world will make it impossible. But I will lift a glass in her memory on Oct. 8th. RIP

I am sad to hear of the passing of Constance. I was looking forward to seeing her again this fall in The Villages. I enjoyed the company of this talented, intelligent woman who was among other things, a fantastic cook. I too will lift a glass in her memory.

We are so sorry to hear Constance has left us all. We met her only 2 yrs ago and wish we had known her longer. She was a thoughtful sweet lady, and my wife & I enjoyed just talking and laughing with her.
