John Logan MacBlain, age 38, of Milton, DE passed away on Thursday, October 3, 2019, at Thomas Jefferson University Hospital, in Philadelphia, PA, with his wife and mother by his side due to complications from pneumonia. He was born on September 30, 1981 in Milford, DE.

I worked with John at DTCC for a few months. He really was the nicest guy and always kept a positive attitude. I have one specific memory of a conversation we had together at a vendor conference at Dover Downs and remember leaving that conversation thinking that great things were going to happen with him and the experience and enthusiasm he brought to the table. I was very sad to hear what had happened and send my condolences to his family and friends. He was a really great person.

My partner in crime, the one I could talk baseball, argue football, taught me how to bet the spread, shared recipes and memories. I took you to your first semi-pro game. You came to my aid more times than I could count. Always there with a shoulder, or a laugh and a joke. Forever in my heart.
