**L**ana Catherine Cobb, 85, of Rehoboth Beach, DE, formerly of Gaithersburg MD, passed away on December 2, 2019 at Brandywine Seaside Point Assisted Living Facility, Rehoboth Beach, where she resided for over three years.

Born in Middletown MD, on February 18, 1934 to the late Albert Bowers and Nellie (Shank) Bowers, she worked for various companies in Maryland prior to working for three federal government agencies. Programs revolving around education and womens' issues were a high priority all her life. These included The Cape Henlopen Food Basket, Leashes of Love, National Association of Federal Retired Employees, AAUW (American Association of University Women), the West Rehoboth Housing Coalition Council, and New Beginnings, an after school mentoring program.

Lana was a passionate animal lover and could be seen riding her three wheeled bike with her dog Mojo around her neighborhood. She was loved by many and will be deeply missed by her large family and her many friends.

Lana was preceded in death by her husband, Leonard Cobb. She is survived by her daughters: Linda Flook of Hagerstown, MD, and Patti Cornell of Rehoboth Beach, DE; her son, Kim Rhodes of Boonsboro, MD; her three grand-children; her three great-grandchildren; and her four great-great-grandchildren.

We are so deeply saddened by the death of our dear friend Lana. Our deepest sympathy to Patty and all of Lana's family. A beautiful lady in every aspect of the word. She loved people, animals and her faith. Her ambitious personality showed in every thing she did, helping anyone where ever she can. She gave her heart to everyone. Lana was the very first person to greet us as our moving truck drove into our community, and so very happy we were not going to be seasonal residents, from that day our friendship has become a very special one. We will surely miss her. Rest in peace in the arms of the angels our dear friend Lana. Larry and Dianne Magerko

Roxy, my therapy dog and I will certainly miss our weekly visits to Brandywine and spending time visiting Miss Lana. She certainly enjoyed petting Roxy and just loved seeing her. We both will miss her very much. What a wonderful, sweet lady. 🍷🍷

My condolences to Lana's family. I remember how Lana became president of the Association of American University Women of Delaware, twisting the arms of all her friends to take positions on her board. She did it in such a way that it was impossible to say no. Nadyne Rosin
