I have so many great memories of Barry. He was a good friend. I last visited Barry in June of 18 when I was in area for a bachelor weekend. Lots of fun at Westwinds with Bobby Hale and Dibo. A week in Myrtle Beach with the same foursome. Back in the old days Barry and I could really argue but the next day at work, no hard feelings. One time we were at Hobbits Glen and got into a loud argument in the bar after golf. Well the next week after our round we walked in the bar and the place went silent as if to say " they're back". After we moved to Pa, Barry would come up to play in the Floyd, an annual golf tournament. All my golf buddies loved Barry. I remember watching the 86 Masters with Barry. That was the year Jack won his last Masters. In 2016, I came to DE to watch the 30 year anniversary of that event with my good buddy. He was a dog lover. He loved playing with our Lexie, a golden when he came to visit. Barry, you will be missed. You were one of a kind! Prayers for Gina and the girls.

Too many memories to pick just one. Many memories that weren't too funny at the time but later we could laugh about. We had many special times together and even though distance kept us from getting together, when we did talk or see each other it was just like yesterday. He made more of a difference in my life than he will ever realize. Good bye my friend and thank you for being a part of my life. My thoughts and prayers reach out to Gina and your family. I know how much you cared for them and they for you.
