Richard and Family, I am so sorry to learn about Betsy. What a kind, caring and loving person. Betsy always had the compassion to make everyone feel important and placed their feelings above hers. To say she will be missed would be an understatement but knowing that Betsy watches from above and is pain and sickness free makes her time with us even more cherished. Prayers and blessing of comfort to all. Please let me know if there is anything I can do to help, s don't hesitate to reach out. Thanks, Trent Sturgis

I am so sorry to hear about Betsy. She is one of most caring people I have ever met. She went out of her way to make sure others were okay and if she could help in anyway, she jumped right in. I am truly honored I to call her my friend. Her love she shared with Richard was truly heaven sent. It's the type of love most of us dream about. They were definitely soul mates! Betsy will be deeply missed by not only her family but also her friends. Prayers to the family in this difficult time. RIP my friend. Rachel
