To our dear friend Jack, It's been a short time that my family has known you and mollie but that time is enough to look at you as a brother and a son to mami. We didn't have a chance to meet your mom but you talk about her with so much love. We lit a candle in her memory and are keeping her and your family in our prayers during this difficult time. Please know we are here for you. Love you.

Oh Jack, My heart is breaking for you. I only met your Mom once and that picnic and her home were lovely. I loved her reactions to your posts on fb! Please give Jackie and little hugs from me. You shared so many of your outings, trips and fun with me that I felt like I was there. My favorite was the Golden Girls at Atlantis in the cabanas at Atlantis and winning in the casino at night. Please know that I am here for you and you left your footprints on my heart! Love you! Kathie Simpson
