I did not learn of Mary Sue's death until my Christmas card to her was returned. My husband and I are so sad. We had known her since she was 16 years old. We lived next door to her and her parents in Seaford and came to Mickey's funeral. We moved away but kept in touch. We will miss her.

I had the benefit of Mary Sue's bountiful knowledge on many occasions in the library at DTCC in Georgetown. She was always willing to help you in a kind and caring way and I am sure she will be missed by many. My thoughts and prayers to her dear friends and family. Patricia Haney

I was very sorry to hear of Mary Sue's passing. She was one of my best high school friends. Though we did not always keep in touch after college, I have always thought of her as the most candid person I ever knew. I hope she has found peace. Linda (Nigel) Elmore
