Whitey was a good friend in high school and college. A pillar in our peer group, he was always great fun. We shared many good times, especially at the Lake. His sense of humor, intelligence and integrity were his hallmarks. I wish we had stayed more closely in touch. My sincere sympathy to his wife and high school/college friend Ruth. Joe Saba

My fondest memory of middle school is Mr G reading aloud "The Hobbit" to our home room. He really inspired a love of reading. Walt was a wonderful guy and a great supporter of all things Bridgeville/Woodbridge School District! I had the pleasure of being around him on several levels and met him years ago as a fellow principal (I was in Cape Henlopen) and we spent lots of time together at state and county meetings. Later, when I was on the Cape Henlopen School Board and he on the Woodbridge board, we sat beside each other at many county and statewide meetings. After his retirement we would see each other again at Delaware State Retired Personnel meetings. Always with a big smile and something nice to say, he was always positive and upbeat. His counsel was always wise and informed and when he spoke, folks listened. He will be missed. Dr. Gary D. Wray

My deepest sympathy for the loss of Mr. G. If anyone defined the phrase of "being present" it was Mr G. Our SGA Class of 2020, ever since the beginning of stepping into the school district, he represented being a Raider with the spirit unmatched every single day. As a coach and librarian, no one could want a more welcome and positive supporter in your corner than Mr. G. He never would fail to let you see both the positive and negative sides of an issue and offer his insight into those for the benefit of the school district, as well as you the individual. He will be missed in person, but never forgotten in spirit as a true Blue Raider. We think of his family and all he touched - which is a multitude of individuals and Blue Raiders. Sincerely, Harry Brake

My friend of 51 years will be missed. Walt and I came to Woodbridge the same year and lived together our 1st year at Woodbridge. Dr Flint the two of us to teach math and he put me in the HS because I was bigger and Walt in the Elementary because smaller. Walt was my assistant to the Woodbridge Wrestling Team. Walt was with me when Alonzo Frisby won a State Wrestling Championship. We were so excited and happy. We did many activities together, like traveling tennis, golfing, and sharing a drink. I am so sorry for the family. Walt will be remembered for ever. Good Bye Old Friend. Gary
