I met you thru your sister Camille last year. I joined a group of friends for lunch and you were there. It was an enjoyable time with laughter and fun and I know you will be missed by all. It was a pleasure to have met you. Peace to you now. Ginger Dudley

TO Georgie...

In the quiet hum of August's gentle grace,  
A name still echoes, time cannot erase.  
George, a spirit with a heart so true,  
Born on a day where summer skies are blue.

August 30, a day that holds your light,  
In every dawn and starry night.  
Though you've departed, your warmth remains,  
A cherished memory that never wanes.

Now on this day, when summer's warmth is near,  
We celebrate you, holding you so dear.

So as we mark the day you entered our lives,  
With heartfelt wishes, in our hearts you thrive.  
George, though gone, your spirit's light we hold,  
In every story shared, in every memory told.

With love ~ ~
