Amazing Grace, how sweet the sound
That saved a wretch like me
I once was lost, but now am found
Was blind, but now I see
Was Grace that taught my heart to fear
And Grace, my fears relieved
How precious did that Grace appear
The hour I first believed
Through many dangers, toils and snares
We have already come
'Twas Grace that brought us safe thus far
And Grace will lead us home
And Grace will lead us home
Amazing Grace, how sweet the sound
That saved a wretch like me
I once was lost, but now am found
Was blind, but now I see
Was blind, but now I see

Frank loved genealogy and that shared love brought him into our lives. Many visits were spent pouring over old photos and discussing the Ferry and Toomey family trees. Frank shared stories from his childhood about a grandfather I never knew. We shared pictures of his grandparents that he had never seen. While we met Frank late in his life, we both came to love him. He will be missed. You sincere condolences to his entire extended family. Marsha (Terry) and Jim Folz ,
