Greg, Donald, and Families, Our sympathy and prayers are with all of you. Don't know if you remember me, but I was Judy Hopkins, and my parents were Everett and Grace Hopkins, and lived just a few miles from your Bennum grandparents. I was just asking a friend on the phone about your mother recently, as I had been thinking about her. So very sorry for your loss. She was a lovely person, neighbor for many years, and fellow church family member while at Conley's. Since we live in North Carolina, sorry that we cannot be there for her service, but distance and the present crisis make this almost impossible. Be assured of our thoughts and prayers for you and your families. She was a special lady. Bobby and Judy (Hopkins) Briggs Lexington, North Carolina
