I am so very Saddened to hear of Beth's passing. I worked with Beth at Goshen's Sunshine Preschool in Milton, DE. (at the time our students knew her as Mrs. Cahill.) She was Lead Teacher & Administrator in the school year 2000-2001. I was her Assistant Teacher, that year. When She left in 2001, I became Lead Teacher & Ella Betts became the Assistant Teacher. Earlier, Beth was working at the same Preschool as the Assistant Teacher, in the school years 1995-1997, when She taught our daughter, Sarah. (Carol Webster was the Lead Teacher then.) And More Recently, in the school year 2017-2018, Beth taught our Granddaughter, Summer, at Children's Beach House in Lewes, DE. I was able to see & visit with Beth at our granddaughter Summer's Preschool Graduation in 2018. She shared with me that Her & her husband owned an art gallery in Lewes, & we talked about our kids. She was so very proud of them all Cassie, Erin, & Nate. And as always, She was a delight to talk to. There was a light that radiated from Beth, that shown on everyone she was near. Beth was always an energetic, passionate, caring, loving & knowledgeable Teacher, as She was outside the classroom. Beth loved her family dearly & was a Woman of Faith. She also loved children, animals, the beach, & nature, as She loved caring for them all. I image she still does from above. My prayers, thoughts, & love go out to her entire family. Love you Beth, you are missed. God Bless You & Your Beautiful Family. ❤️ Love, Lisa Jordan

I was so saddened to hear Beth had died, I've known her all my life. Our mothers were best friends, and we were born just 6 months apart, so we essentially grew up together. So many memories, like debating whether the Beatles or The Beach Boys were better, the day she broke her leg learning to ride a bike, and later (having mastered bicycling despite her setback), riding our bikes downtown to go get penny candy at the Old Country store. After high school, we worked together one summer at the campground at Cape Henlopen State Park. After that, we didn't see each other often, but she always greeted me with a hug and a smile. She will be sorely missed. My warmest sympathies to her family. Bill Macintire

There are no adequate words to describe how awesome a person Beth was....She was that shining bright light in the midst of an otherwise crazy world....her smile and laughter lit up everything !! She was the kind of person that everyone wanted as their best friend.....and although I didn't know her half as well as many others, she remained and will remain "always in my heart" ....it was a shock, to say the least, of her passing.....but as they say " Heaven has gained an angel".....you will never be forgotten ! Love to Erin, Casey, Allyn and all of her family and friends ~xoSue Warrington-Doud
