Dana Marie Vickers

MAR 29, 1961 - AUG 5, 2020

Dana Marie Vickers (nee Border) passed away Wednesday August 6th surrounded by immediate family. She is survived by her husband and soulmate, Darwin (Bumper) Vickers; her daughter, Nancy and her spouse Justin; son, Donald; granddaughter, Scarlett; Uncle and best friend, Terry Border and his husband Eric; parents, John C. Border and Nancy Bollinger; beloved brother, Jeffrey Border and his wife Jennie; cousin, Martha Bratton Fye and her family; brother, Keith and his wife Melody; and a slew of other cousins, nieces and nephews.

Dana was loved by so many. She was a rock for her family and those close to her. She loved living at the beach in Delaware and spending time with her family, friends, and her best friend Ashley who lived nearby with her daughter. Her granddaughter Scarlett was the light of her life and her long phone conversations kept her smiling for days. She loved being a homemaker and cooking Sunday dinner for family.

Dana was born in Everett, PA, later settling in Rutherford, NJ, attending grade through high school there where she met her husband and raised her family. Dana's career spanned decades, starting with the NJ DMV and O'Sullivan Menu Communications from which she retired to enjoy beach life.

Due to the state of our country during the Covid-19 pandemic, Dana's family has decided to hold a celebration of her life at a later date.

Please sign Dana's online guestbook located on this site.

Dana and I have been friends for 25 years. I worked with her for about eight of those years and we were always getting into trouble lol shenanigans at work which was O'Sullivan publishing. For about three years I was her supervisor but That didn't matter We still went on vacations and had fun with each other. lunch time was planned at 10:00 every morning lol. We loved our potato and egg sandwiches on a roll with ketchup. This picture is from our cruise of the Western Caribbean when we landed in Cancun. We went until an excursion where we rode the horses through the woods down onto the beach and through the water and since we were so hot we decided to go off the beaten path and had a really fun afternoon At this restaurant. The Man was singing with his guitar Margaritaville and we were certainly drinking margaritas and enjoying margaritaville lol. Dana will truly be missed in my heart and her family will be in my prayers. They will never be another one like her

To the Vickers Family, Thank you for sharing Dana with me for almost 2 decades. She loved her family more than anything in this world. Thank you for welcoming me into your home and your family. I know there is nothing that can replace her smile or her laugh and the world is less fun without her in it. She was the best cook and the silliest person to be around. I will cherish every moment we had together and hear her voice every time I attempt to make a decision. I would love to see more photos of Dana and hear more stories. She will be a huge part of my life forever. Love you all :) Ashley
