Linda Leidy was my best friend and I loved her like a sister. She added so much happiness to my life and I tried to be the best friend I could to her. She was a great lover of animals and especially cats. She fed cats that she didn't even own. Without Linda I would not be the person I am today. She saved my life when I was at a very low point. Linda taught me so much about life and I was truly blessed to have know her here on Earth. I miss her so and hope I get to be with her in the after life. There is a deep hole in my heart from her passing. I hope she knew I loved her.
