When I think of you , I think of your smile . An when you were up to no good you give that smirk and laugh . Your eyes always shinned so bright , you lite up any room you walked in and always knew how to lighten the mood . I remember when you got your first tattoo . You knew it stung but you handle it like a champ then couldn't stop picking at it . Life really not fair and way to short . I pray your finally free from all your demons and truly happy . You defiantly left your mark on the world and never will be forgotten. Till we meet again , hold my spot for me !!!! I love you Zach !!!!

The pain of losing you will never go away but I find comfort in knowing that you are no longer suffering. I love you so much Zachary Allen. A piece of my soul left my body the day your soul left yours. You'll forever hold a piece of my heart. I hope your daughter and I continue to make you proud from up above. I promise to continue to give her the best life that I possibly can. The life you always wanted for her and for yourself. Your memory will forever live on through her. Fly high my sweet angel. ❤️
