I've been living with Parkinson's disease for quite some time, and for years, I struggled to find lasting relief. While medications offered some temporary help, the symptoms always returned and often worsened. Out of a mix of hope and hesitation, I decided to try an herbal treatment program from NaturePath Herbal Clinic. I'll admit, I was skeptical at first. But around the fourth month, I began to notice real, steady progress. My tremors became less frequent, the stiffness in my body eased. My balance and coordination gradually improved. It wasn't an overnight transformation, but it was consistent and life changing. For the first time in years, I feel more in control of my body. I can move with greater freedom, sleep more peacefully, and enjoy daily activities without the constant discomfort I once accepted as normal. The improvement I've experienced physically, emotionally, and mentally has been nothing short of uplifting. If you're exploring natural options for managing Parkinson's, I wholeheartedly recommend looking into NaturePath Herbal Clinic. Their approach has made a real difference in my life, and I'm truly grateful I gave it a chance. www.naturepathherbalclinic.com

Joseph, I completely agree with you. My husband has been living with Parkinson's, and we also turned to NaturePath Herbal Clinic when medications were no longer enough. To our surprise, the herbal program made a huge difference. His energy improved, the tremors eased, and he regained much of his balance and confidence. It's been such a relief to see him feeling more like himself again. Truly, they offer hope for so many families.

My husband was diagnosed of Parkinson's disease 2 years ago, when he was 49. He had a stooped posture, tremors, right arm does not move and also a pulsating feeling in his body. He was placed on Senemet for 8 months and then Sifrol was introduced and replaced the Senemet, during this time span he was also diagnosed with dementia. He started having hallucinations, lost touch with reality. Suspecting it was the medication I took him off the Siferol (with the doctor's knowledge) and started him on PD-5 natural herbal formula we ordered from AKNNI HERBAL CENTRE, his symptoms totally declined over a 3 weeks use of the AKANNI HERBAL Parkinson's disease natural herbal formula. He is now almost 51 and doing very well, the disease is totally reversed! (Visit www.aknniherbscentre.com)

I started out taking only Azilect, then Mirapex, and then dopamine for my Parkinson disease, as the disease progressed they didn't help much. A year ago I started on PD TREATMENT PROTOCOL from Aknni Herbs Centre (www.aknniherbscentre.com). One month into the treatment, I made a significant recovery, my symptoms were gone including tremors . It's been months since I completed the treatment, I am symptom free and I live a very productive life all thanks to Aknni herbs centre !!!

I am sorry that this is so very, very late. I can still hear her laughter in my memory. What fun times with the Korbs. You all have been missed since you left Joppatowne. You are all in my prayers and may you all have found some peace in knowing that she is with Jesus and we will all meet again someday in that southeast corner! My prayers will continue for all of you, each time God brings her to my memory.

Our deepest condolences to Dick, Crissy, Traci and Rich towards the lost of Carol and wish to remember her with wonderful memories shared during these times. Carol was always a strong Woman in many ways, battling cancer and winning over it. Nothing stood in her way when she was determined to succeed. She was talented and creative with designing and making personal items for everyone to include decorative pillows and one of our favorites "Elf on the Shelf" dolls! A fond memory was Rich & Brianna's wedding after the reception with dumping out Fish bowls with Floating candles and afterwards gathering at the Hotel drinking Mimosa's. Carol always had a lovely smile and was friendly willing to assist and help out anyone in need. She'll always be remembered within our hearts and will be deeply missed.

My sincere condolences to Dick and family on your loss of Carol. When I lived on Dunfield Ct , Carol and I talked almost every day. She was such a nice lady and friend to me. . So talented with her crafts and sewing. I still have some things she made for me. I was so sad when Dick and Carol moved away. You now have an Angel In heaven watching over you all. Dear Korb family, So very sad to know of Carol's passing. She was such a wonderful neighbor when we came to the Court in 1980. She gave me all the right names of people we should know, the dentist, cleaners, Acme store, and of course the JC's for our Christmas Luminaires (maybe that came from Dick?). Loved her being a Mom to Richie (not many babies around, so he was special), and getting GS cookies from Chrissy and Traci, so many memories of that time. I know you will miss her dearly and we send our deepest sympathy. Coleen and Marv Bertsch
