Although I hadn't seen Virginia for years she was always in my heart. Such a strong and loving woman I've been blessed to call my friend. I guess I could say she was my mentor in work ethic and life in general. This great lady was an inspiration to me and I loved her very much. God Bless Tom, Jeanie, Terry, Loretta and all the family in these sad times. Love and prayers Michele Webb and family

Virginia was such a great friend and coworker that I very much enjoyed working with. We had some great times together. I remember scaring her quite often so I was called her a little brat. I will never forget how caring of a person she is and loves her family dearly. RIP my friend
