Mom it's not ever going to be the same without you! I love and miss you so much already. Glad that I have some amazing memories. Especially getting pulled over with goats in our station wagon and doing the Duke's of Hazzard over the railroad tracks! Always lots of fun with you!

Mom-mom is still does not feel real, the kids and I miss you so much! I was telling the girls about the day I was playing on your fishing dock and managed to catch the biggest fish of my life YOU! I will forever remember that and how you had to go to the hospital with the hook and worm still inside your mouth and you coming home from the hospital and coming to the house to tell me it was okay. And you would laugh about that memory every time we tell it. I love you!!!!
