William Victor Lometti

FEB 9, 1948 - MAY 21, 2021

William “Bill” Victor Lometti, age 73 of Lewes, DE, passed away peacefully on Friday, May 21, 2021 at his home, surrounded by his family, following a long battle with prostate cancer. He was born on February 9, 1948 in New York, NY, son of the late Guido and Mary Lometti.

A graduate of St. Francis College in Biddeford, ME. Bill had a long and illustrious career in federal law enforcement, beginning in 1970 as a Special Agent with the United States Secret Service in the New York Field Office. Bill served with distinction until 1993, retiring as Assistant Special Agent in Charge of the Newark Field Office. From 1993 until his retirement in 2013, Bill served as the Special Agent in Charge of the EPA Criminal Investigation Division of the New York Field Office.

Bill had many interests and hobbies. A history buff, he always enjoyed watching the History Channel and its various programs. He enjoyed gardening and playing with his loyal canine companions. Above all, Bill cherished time spent with those he held most dear ~ his family. He loved telling stories and tales of his life and experiences. Bill was a loving and devoted husband, father, grandfather, brother, uncle and friend. He will be deeply and genuinely missed by all who had the opportunity to know him.

Bill leaves behind his beloved wife of nearly 50 years, Susan Spellman Lometti of Lewes, DE; his children: his son Michael Lometti and his wife Judia, his son Brian Lometti and his wife Michelle Arlotta, and his daughter Jennifer Anne Lometti; his grandchildren: Cosmo, Enzo, Arlo and Irish; his siblings: Guy E. Lometti, Christopher Lometti, and Mary Margaret Bendik (Max); his many nieces, nephews, and in-laws; and his adored rescue pup, Peter. In addition to his parents, Bill was preceded in death by his sister, Carol Lometti.

Some of the happiest days of my life were spent on Arizona Avenue in Long Beach, NY with Billy, Guy, Carol, and my sister, Candy. We and the Lometti family lived in adjacent houses, and I remember well how we first met. We threw stones at one another, chucking them from our porches back and forth. After that, we were solid friends sharing fun at the beach, riding bikes in the street, going to the theater on a rainy day, talking and rocking on the porch, trading charms, eating jelly donuts and crullers from the bakery, walking to church in our Sunday best -- endless summer after summer! A kind and fun little boy who grew to be a fine man has been lost to the world. My condolences. My sweet memories of Billy will never fade and will always bring me joy. Ellen Anderson

I have so many happy memories of "BILLY," as we always called him when we were kids. He was always nice to everyone and fun to be with. I'm glad I got the opportunity to have dinner with Bill and Sue while I also lived in Lewes. My love, prayers and condolences to all his family, especially you Sue. How blessed you both were to share your love and beautiful family for so many years. Bill will be by your side always. I'll hold the memories in my heart always! God bless! Roni ❤️👤❤️

Bill was my supervisor from 1995-2001. I remember when he was coming into CID. People said the "ice man" was coming. For me, I didn't see an iceman. He respected me and allowed me to do my work with his full trust. Rest In Peace Bill. You are dancing with the angels now. Hallelujah!!!!

Dear Sue & Family~ My mom just told us of Bill's passing. We're so sorry to hear this. We didn't know Bill super well, but one memory I have of him is playing poker at my parents' home on Kenner Court. Bill had a good poker face, and he always seemed to look right through me, a talent he'd honed as a Secret Service agent, (or so I was told!). I hope you're all doing ok. I understand what it's like to lose a dad. You all are in our thoughts and prayers .~ Amy & Scott Simonson (Bonnie & Ken Reeder's daughter and son-in-law)

It's so hard to imagine that we won't be seeing Bill walk Peter anymore. He will be missed. Back in our early days in Bay Pointe, Bill and I worked together for years on many Bay Pointe committees and then on the first HOA board of directors. He was my strongest supporter and always a great friend. Sue, Bill & I are here for you in these tough times and always. Don't forget that. We love you!

I have the fondest memories of fun carefree days when school was out for summer vacation. Our families left the hot crowded city for the fresh sea air of Long Beach N.Y. We were neighbors. We had bungalows next door to each other and spent endless hours playing on our porches. Billy, Guy, Carol, Candy and Ellen spent unforgettable times on Arizona Ave. Thanks Billy for being such a memorable part of my childhood.

There are no words to express how sorry we are for you and your family. No one could have taken better care of Bill and be by his side in his final days, than you. Mike and I loved hanging out with you guys and LOVED the stories. You guys were such amazing friends and next door neighbors and we truly miss spending time with both of you. I cannot even begin to understand what you are feeling and our heart breaks for you, but take comfort in the fact that whenever Bill talked about you his face lit up and he was so in love with you and your family. Love you💜Sandy and Mike Lombardo
