I will always remember what a great mother she was to my little cousins and all her children. She was such a hard working mother and I truly admired her determination. I love you and you will be missed dearly. Rest in internal peace.

I remember when Tracye and the family stayed with me and my family, she was very funny and had a good sense of humor. She would make fun of me and I accepted it knowing she meant know harm. I miss her talking junk to me and her laughter. I'm so glad I had a chance to two with her two weeks before her passing. I really got to know what she was and how she was feeling. We cried together and had some good laughs of the past. I know she's in a better place without anymore suffering. I'm her for the kids as I always have been and I will always keep constant contact with the kids. Tracye, rest your soul for your kids are gonna be ok. Miss you already, your snoop dog as you would call me will forever be our hearts. 🤔🙏🥹

I remember always going over to the house to hangout with jes and Tracye ALWAYS made me feel at home. She was the most caring, compassionate, funny person. She acted like a second mom to me. She was unapologetically herself and always went out of her way to make sure her family, friends and everyone else was always good. She was and forever will be an angel & it will a blessing to have known her. ♥🙏 Praying for the family.

She always came into Goodwill with a smile on her face, no matter the pain or hurt she was feeling. I didn't know her well but I knew her well enough to know she was a fighter and a strong woman. The fight is over for you, Tracye. Rest well ♥🙏

Tracye, "My Beloved Neice" So much to say but yet I'm muted, I'm grieving but yet I'm smiling so here I go as these words fall softly as tears that run upon cotton. Did you know how impactful and reverence your life was to those that was granted the opportunity to come into contact with a Earthly Angel from the core of your celestial being that big bright smile that always light up a room/spirit/heart just from Your mere presence. It's going to be hard and We definitely know that God choose the Best of Us, However; We /You live on because GREATNESS is not define by titles Mom/Daughter/Wife/Neice /Sister it's engraved in the hearts and souls of those that's left with Happiness and Joy to continue your Legacy. RIP Our Beloved Tracye Elain. Love Eternally; Uncle Mujahid / Alan and Lenore-Malik Family

Tracye, you never met a stranger. You knew how to comfort and bring hope through encouragement to those who were feeling lowly! Your kind heart, beautiful face and bright smile will be missed by many! You were like a chameleon in life, able to adapt in any environment. You were courageous throughout the battle and never gave up! Through your enthusiasm for life and perseverance through adversity, you helped others to know that with God all things are possible! We know you wanted to continue the fight, but God decided it was time for you to come home. You will be greatly missed little one! Love Aunt Bunny!
