Kia was the heart and soul of our life. Our Kia was involved in everything we did for 8 1/2 years and was responsible for giving us more joy than anyone could imagine. Precious Kia was a protector, stress reliever, friend, love and gentle angel. All who knew her loved being around her. Baby Kia just wanted to give love and be loved, she was self-less, supportive, kind and in the end still wanted to please us. With her gone there is a gigantic hole that will never be filled. We are so lucky to have had her in our lives and truly thank God for putting us together. We will never forget or stop Loving You Baby Kia.

Kia made sure that we were never lonely, always happy. Sweet Kia was always there to support us when we had to deal with medical issues. Kia could always figure out just what we needed which was here closeness, sweetness and precious little kisses.

KIA, you will always be Mommy's Baby

and Daddy's Girl.

*We Love You Kia, you are a sweet special Baby Girl.

**Nothing will be fun again without Kia.

Love Eternally,

Mommy and Daddy

Heavenly Father, Creator of all things, thank you for having entrusted us with such a loyal special friend. Thank you for letting this beautiful animal teach us unselfish love and much more. Thank you for the many memories we can recall to brighten our days for the rest of our lives. Finally, in gratitude, we return our cherished companion to you. Amen.

Your precious little soul is with God and hopefully is atpeace.We love you and miss you every day. 6 months without you Kia. This is the first Christmas without waking up and getting to see you looking so cute and beautiful and wanting to start the day by sharing every moment just being together and having fun. Just to see your little bounce as you walked and following us through the day was so price-less, so much joy. We Love and Miss You Kia. *Forever in our hearts. Mommy and Daddy without you

Carol and Lee, I am so sorry for your loss. I know Kia was your world. You were so lucky to have each other. I know she will continue to look over you both. So on those days when you are feeling sad, she will be there with the shining sun, the singing birds and the cool breeze. She will send you little signs that she is watching over you both. We also have lots of memories of Kia from over the fence and when i was lucky to care for her in your last days as my neighbor. May God comfort both of you as you go they this difficult time, Sending our love and some hugs across the miles.John, Kim and Chris
