Steven M. Grames

JUL 8, 1949 - JUL 12, 2021

On July 12, 2021, Steve Grames passed away after battling lung cancer for about three years. The son of Donald and Margaret Grames, he was born on July 8, 1949, in Perrysburg, Ohio.

Steve was the husband of Allyson Grames, the brother-in-law of Joe and Cathy Stamerro, Ron and Jackie Stamerro, TJ Stamerro, and Walt and Debby Mills and the following nieces and nephews: Daniel, Katie, Kendall, Anthony, Ryan, Tyler, and Bobby.

Steve conscientiously served the country he loved throughout his career. After graduating from the United States Naval Academy in 1971, he served in the Navy for six years. He worked for the Federal Government for 35 years until his retirement. Allyson and Steve moved from Severna Park, Maryland to Bethany Beach, Delaware, where Steve worked another ten years as an attendant and manager in the parking division of the Town of Bethany Beach.

Steve recently celebrated his 72nd birthday and his 49th Anniversary with Allyson.

Steve has always been known for his analytical skills, problem solving, managerial skills, and most of all for his dedication to Allyson and to their families. His honorable character shines as an example to all of his friends and family. He will be truly missed.

In accordance with his final wishes, Steve will be cremated and inurned in the Naval Academy Columbarium. Arrangements have been entrusted to Parsell Funeral Homes and Crematorium, Atkins-Lodge Chapel, 16961 Kings Highway, Lewes, DE.

Steve was my last roommate while at USNA. I last spoke to him three weeks before he passed away as we'd connect every couple of months or so to shoot the breeze and talk about whatever was on our minds. He was definitely the "gentleman" in the phrase "officer and gentleman" which all of us naval officers know and love. He got after me pretty good two months shy of graduation when I was flunking two classes at mid-term. I just didn't give a damn at that point, but he got me to focus and I made a B and C. We had a lot of interactions through the years, especially over the past ten, where he hosted several reunion gatherings at his house in Severna Park. I always made it at point to stop in Bethany Beach after his retirement whenever I was traveling from New England to Florida. RIP, my friend. Growing up I always felt so loved and special because Steve (and Allyson) not once forgot any special event I partook in. Always showering with words of wisdom and encouragement. One of my most cherished items is when I received a book called, "Everything I Need To Know I Learned From a Little Golden Book" it was so insightful to read at that stage in my life. I feel so blessed that Steve was my godfather. I am so deeply sorry for your loss Allyson. Lots of love. ❤️Mackenzie

Dear Allyson, Connie and I were deeply saddened when you shared the news about Steve's passing. Florida was such a long distance away and we both felt sorrow in not being home on Walkabout Rd to visit with you. It was only a short week before when we last saw Steve walking Daisy as you both loyally did and allowing the opportunity for neighbors to share a bit into what was going on in our lives. During these past few years with Steve fighting his battle with cancer, he always brought forward the positive aspects of his life and how fortunate he felt in having your love and support, along with all the great medical resources to help him with his journey. Steve was a great neighbor to have and we know he will be missed by those he worked with and lived with here in Bethany. Steve always conveyed to me that he was both proud and honored to have served his family, his nation and humanity. May we all be so fortunate to have a friend and neighbor like Steve, he will be sorely missed. May he rest in peace and may you always have happiness in your memories. God bless you, Bill & Connie Kneisly
