I just saw this and I'm so, so sorry! Nancy was such a special and caring person! She was so helpful when I bought the gown for my son's wedding, she could not have been more helpful! We then became friends and even met for lunch, I emailed her a few times during the pandemic and was thinking of her recently. What a lovely woman, I'm fortunate to have known her! My thoughts and prayers are with all of you at this difficult time! 🥹🙏❤️

I feel blessed to have known Nancy for the past 10 years. She had a wonderful heart and always found something positive to say. I enjoyed many talks with her about the books we were reading and swapping. Nancy served many years on our community board and always had a helping hand for me when I joined. Chuck and I send our condolences to Rich and the Glorioso family at this sad time.

Our hearts and prayers are with you and I pray that God always watch over you and give you and your family strength and courage. I will always remember my cousin, Nancy as a sweet, fun and wonderful person with a heart of gold. We share the same maiden name - Vincenza Zaccaria, and growing up I was always proud of us cousins being named after our wonderful Sicilian nonna. I have great memories of the weekend we spent in Delaware shopping together and visiting Rehobeth Beach, the family get-togethers with great conversation topped off with her amazing homemade cheesecake that was truly a work of art! She really cared about people and I'll never forget how she supported me when I started a new business. She was exceptionally kind, thoughtful and graceful and she will always have a special place in all our hearts. Our deepest condolences to all the family. Love, Enza, Joe & Anabelle Grasso

I sincerely believe we have angels who walk among us on this earth and that Nancy Zaccaria Glorioso was most certainly one of them. I was graced with the blessing of Nancy's friendship the entire time I have been on Facebook and she was my first lady friend I made there. We became instant friends and she will always remain my very loyal and treasured friend. Her family was always first and foremost in her life. I now pray TO Nancy instead of FOR her. I know she is reaping her eternal reward with those she loved and missed so much. She was never one to complain nevertheless, I know she was in a great deal of pain in the last months of her earthly life. I take some comfort in the following words "As a person exhales their last breath on earth, so it is that they inhale their first in paradise." May she and those with her, rest in eternal peace in the glory she so richly deserves. Nancy, you will forever live in my heart. My prayers and sympathy go out to her family & friends. The Chantels are forever grateful to Nancy for making it possible for us to wow our audiences with the elegant gowns that she helped us pick time and again. She also recommended the best local seamstress to hem all of mine. We have gotten so many compliments over the past several years for those gowns; Including our performances in Rehoboth Beach. Nancy was special, always taking time to chat and reminisce about NY whenever I stopped in to say hi. I/we will never forget you Nancy. Rest Peacefully and Rise in Glory. Lois Harris Powell
