My late wife and I knew Mrs. Nizioł through our friendship with her daughter Margie Mercurio and her husband Richard Mercurio. We shared a number of holidays with her at their home in Holmdel, and we were always so impressed with her remarkable personality and character. She was such a positive and loving woman who was adored by her daughter, her son-in-law, and her grandchildren. She will be greatly missed by all who knew her, but the mark she left on her family and friends can never be erased. The love she gave so freely during her long, active and successful life will live on in the hearts of those whose hearts she touched.
