Loretta was devoted to her cats and loved to spoil them, Baby, Sweetieboy, Little Girl, Smokey, Buddy, Midnight, Mommy Cat, and especially Izzy. She was known for her kindness and compassion. She will be missed by her loved ones. The family would like to thank Dr. Sawhney of the Bayhealth Cancer Center and all of his staff for taking such good care of Loretta. She loved everyone there.

Loretta was one of the most generous caring people I've ever met. She was always there to lend a hand whenever the group needed her. She will be dearly missed. I'm so happy I was able to get to know her over the years in the support group.

Loretta was the best cousin (in-law), friend, confidant and a bright light in our lives. We chatted often and I miss her dearly. She made what I thought were complicated dishes yet she did so effortlessly and with grace. Loretta had the most generous, loving heart and a wonderful humor. She was truly a gift that I will treasure always. My dear, sweet Loretta, I miss you and I love you always. Roberta Haas October 9, 2021
