Karen, Judy and your wonderful family were always very special and kind to me. Later living so close on Brandywine Blvd in Bellefonte gave me/us the opportunity to keep in contact after graduation. At Ursuline, Judy was so good at Math in Mother Bernice's class that she always helped me if I had a question. We were on Student Council together. She always made me feel important when we both made Honor Roll. I tried to reach out to Judy so many times, but to no avail. You may remember we talked about this at Kiersten Johnson's graduation party. We now reside outside of Charleston in Folly Beach, SC . You are in my thoughts and prayers. Love, Susan LeCates Kerns
