Joan Miller passed away from complications of a long illness on November 6, 2021, at the Country Rest Home in Greenwood, DE. Joan was born on November 20, 1926, in Los Angeles, California. She was the daughter of Ernest Smith Woodman and Elizabeth MacInnes Woodman.

Joan graduated from Immaculate Heart High School in Hollywood, California on June 15, 1944. She attended the University of Southern California, where she was a member of Kappa Delta Sorority, graduating with a bachelor's degree in journalism in 1948. She worked for a time at Universal Studios.

Joan moved to Hawaii where she did graduate work and received her teaching certification at the University of Hawaii. She taught at Hanahau'oli School in Honolulu from 1954 to 1956. Joan went to Okinawa in 1956 to teach at the elementary school on Kadena Air Base.

While teaching in Okinawa, she met and fell in love with Major Frank S. Miller, whom she married on April 13, 1957, at the Kadena Air Base chapel. Joan and Frank moved to Dover, DE in 1958 where her three children were all born.

In 1963, Joan and Frank moved to Rockville, Maryland, where she was involved with her children's school activities. She was a Cub Scout Den Mother, a member of Christ Episcopal Church in Rockville where she also taught Sunday School, and she and her husband often played bridge socially. Joan was an accomplished pianist who encouraged her children in their musical endeavors.

Joan loved to entertain, especially during the holidays, and she enjoyed traveling, visiting Hawaii, Canada, Germany, Spain, and Ireland, among other places. She also enjoyed trailer camping with her family. Joan later worked as an editor for GSO (Growth Stock Outlook), a financial newsletter based in Bethesda, Maryland.

My deepest sympathy to the Miller Family. I just want to let you know how honored I was to be able to do Joan's hair at Beachwaves Family Salon. She was a very lovely lady and I so enjoyed our talks that we use to have mainly about her children and my children. She will never be forgotten!Betsy Garloff Beachwaves Family Salon

Maureen and family,I'm deeply saddened to hear about Joanie's passing. I cared for her almost every day at Asbury and I miss her dearly. When she moved it wasn't the same. She was such a joy to have and I will always cherish the memories and the time we had together. She was an extraordinary woman with an abundance of gratitude, happiness, laughter, and most of all, love of Jesus.The bond between a mother and a child can never be replaced, and when I say she loved her children with all her heart, that would be considered an understatement. She spoke often of them, her travels and her adoring husband. She loved all of you guys so much and wanted to make sure everyone knew she was so lucky and loved. I cannot imagine the pain your family is going through and I will keep you all in my thoughts and prayers.-Taylor Campbell

Dear Maureen, Kevin, Alan and All of the Family, We send our sympathy to all of you. Your mother was such a kind, warm and generous person. If more people were like your mother, this world would be a better place indeed. I know you all will miss her but we hope that you find peace and comfort in the days ahead.

Also, I know your mother placed a strong emphasis on learning so we will contribute to P. E. O. in her memory. God bless all of you and we will keep you in our prayers. Love, Becky, Rodney & William Matzko

Maureen, what beautiful words! Alan, Isa's letter was so elegant and heartwarming! Kevin, thank you for that quote. It gives me hope. I just wanted to say that I didn't really get the chance to know Joan as much as I always wished I could. But Kevin is right-she lives on through her children. Especially Kevin, with his immaculate grammar handwriting! And don't even get me started on his "place for everything and everything in it's place" philosophy! 🤔❤️ But what I do remember, is how EXCITED she would get when she knew it was around the time of year for his visit. He was almost embarrassed by it, maybe? But I saw a woman who loved her son VERY MUCH. And I can say with confidence that she raised an absolutely wonderful, intelligent, loving son in my husband and I am so grateful to her for that. Thank you, Joan. Thank you for raising such great kids, all of whom turned out to be adults any parent would be proud of. You will be forever in our hearts. PS please forgive any spelling or grammatical errors, this keyboard and screen is tiny! 😊 Love always, Cynde Miler
