Phillip I. Cunningham

AUG 22, 1924 - NOV 15, 2021

Phillip I. Cunningham (Big Phil), age 97 of Lewes, DE passed away peacefully at his home on November 15, 2021. He was born August 22, 1924, in Bloomington, IN, son of the late Cyrus Irvan and Anise Louise Bridwell Cunningham.

In addition to his parents, he was preceded in death by his wife of 65 years, Sarah Elizabeth Carpenter Cunningham; daughters, Susan Kidd and Janice Cunningham; and two sisters Ellen Piccariello and Margaret Jane Cornwell as well as grandson, Gerald Brown, Jr.

Mr. Cunningham had worked for over 20 years with the Delaware Department of Transportation before retiring as a Traffic Supervisor. In his early years, life was a struggle as his father passed when he was just 11 years old, thus making him the head of the household. He joined the United States Coast Guard during WW II which brought him to Lewes where he met Sarah. He ran the family poultry farm and continued for many years delivering eggs door to door in Lewes from their poultry houses. His devotion to caring for his family would find him also working numerous jobs including, installing television antennas in the area for Bill Soots TV shop, cutting grass at Old Landing Golf Course, working for the Town of Lewes as an electrician, and working at the former Vessels Lumber Yard, typically 2 or 3 jobs at a time.

However, that did not deter him from staying involved with his large family and community. He co-founded the Lewes Little League program. He and 3 other Dad's coached the first 4 teams. He coached the Braves and treated every boy on his team as his own. His first love, like many Indiana boys was basketball, he was the center for his Coast Guard team during his service years. Another sport he was well known for was softball, he was a pitcher for the Lou Ianire's town team, he played at a competitive level until age 56. Later in life he took up golf and played frequently at the Old Landing Golf Club with his family and friends. He built his own clubs as well as clubs for many others. Following Indiana University and their sports teams rounded out his sports endeavors. He loved to talk I.U. sports with his brother Hubert.

As a child growing up in Lewes I was privileged to be surrounded by many great families. The Cunningham's being one of many. My dad and Phil were good friends and whenever I was in the presence of Phil he always made me feel special. Larger than life and so fun to be around. Through the years I thought a lot about Phil and will always have fond memories. My condolences to the family. Just know that Phil positively influenced me and many others through the years. My wife Karen and I became great friends with Rick and Sue Kidd, and in turn had the pleasure of getting to know Phil and Sarah and many others of the family. They are a terrific group of people and a very close knit family. I know that you will all miss Phil because he was a big personality and would do anything for you. Phil made a set of golf woods for me and I used them many years. He was also the fastest golfer I ever played a round with. May you all cherish the memories. He was someone that we are glad to say that we knew. God Bless you and Keep you! Randy and Karen Neill

I met Mr Cunningham (Rodney's Father) several times with Rod. He had a great smile, and loved sports - especially IU basketball and Bobby Knight. Much fun to be with and talk to. You could tell he had his priorities straight - God - Family - Friends - Community. That is why it was such a pleasure to meet him; the many members of his family that I met had the same great qualities. He led a great life, impacted many in a positive way, and did much good work. A life well lived. His son Rodney is a dear long time friend. Jim Rosemurgy
