Greer posted:

I fondly remember Mrs. Evans in Holton's college counseling office. After more than 40 years, I still treasure her friendly demeanor and helpfulness and think of her often. She maintained a kind and gentle spirit, even under challenging circumstances. I'm so happy she had such a long and productive life. I want her family to know that she made a huge and everlasting impact on many girls - now women. She was absolutely terrific! Greer (Olsen) Lautrup. - Holton 1981
