So sorry for your loss. Your mom was my neighbor years ago. My 2 sons were middle schoolers back then and she liked to keep an eye on them for me - from afar. It made me feel good to know there was another set of eyes watching. Last year I ran into her walking and she was her friendly radiant self, like a favorite aunt. She had the most beautiful smile!

So many many special memories of Audrey! My favorite is when she tells the story of being outside after John had passed away and having a butterfly visit her. John had said to her that he would come to visit her as a butterfly after he passed away. Then she went on to say how when her son was visiting he went outside with her when the butterfly visited it again and the butterfly actually landed on her son. What a wonderful spiritual experience! God bless you Audrey please come yourself as a butterfly to me because you are very missed and I will know that butterfly is your spirit in my presence. Much love Toni and Anita

To Roger, Beth, Scott and Lisa our deepest condolences. Audrey and John were the best next door neighbors that anyone could have. We treasure our conversations with them. Your dad always had a story to tell. Audrey and I loved talking about the dogs. I know losing Precious was rough. Sometimes when going down to the beach I would come in late. No matter how late it was, your mom was up watching tv in the family room! We brought each other's trash cans up, swapped cookies at Christmas and had many conversations over the fence or in the driveway. We will miss her dearly. She was the light on our street. Everyone knew and loved her. We will miss her dearly. Tom and Jennifer Madden

My fond memories of Audrey go back to Newark where we both raised our sons. However, we'd periodically see each other when we both retired here. We shared great ideas on traveling to different places. It seemed whenever we went to dances at Lewes Senior Center, my husband and I would see Audrey and John. I will miss my friend.

I have loved Audrey my whole life. She was not only my cousin but a dear friend. She had the biggest smile and most infectious laugh. I last saw her when we lived in Tampa many years ago but have since enjoyed our phone calls in the ensuing years. We had great times when the McMeekins visited us in Arizona. I'll never forget when Audrey and John met, going to their wedding and the birth of their sons. Rest In Peace dear Audrey ❤️
