Teresa Elligson posted:

Dear Joanne and Dan, please accept my deepest sympathies! Steve will always be remembered! I'm truly grateful for the good times we shared here in Baltimore with families and friends! How many crabs, crab cakes and shrimp did all of us eat? His legacy continues in the lives he touched, especially with you and Dan! He guided many people to move forward in a positive way, with a purpose--from the shores of the Chesapeake Bay to the beaches of Bethany. Be assured of my continued prayers and support, Teresa Elligson
