Dennis Edward Crowley

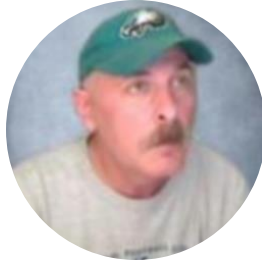

FEB 10, 1950 - APR 3, 2022

Dennis Edward Crowley, age 72, of Rehoboth Beach, DE passed away peacefully at home on Sunday, April 3, 2022. He was born on February 10, 1950, in Wilmington, DE, son of the late Joseph and Bernice (Kern) Crowley.

Dennis grew up in Claymont attending Mt Pleasant High School. An excellent student, Dennis became the first person in his family to enroll in college. He attended the University of Delaware and earned a master's degree in Education in 1976.

Dennis took his talents to Dover, Delaware and began a career in education teaching Biology at Caesar Rodney High School. From there he became a champion for educators as a lobbying representative for DSEA where he found a new passion, computers. After spending time as the default office "computer guy," Dennis decided to pursue his passion and created his own company, Prism Web Designs.

His love for the beach and the Rehoboth community compelled him and the business to move there a few short years later. While in Rehoboth, he was a tireless advocate for the LGBT community and local charities, he owned an LGBT magazine and website. Retiring recently, he was able to focus on his true loves; his dogs (Chester, Millie, Patches), cooking, his summer garden and the Philadelphia Eagles. Above all, Dennis enjoyed spending time with those he held most dear. He was a wonderful father, grandfather, and friend. Loved by many, Dennis will be deeply and genuinely missed by all who knew him.

In addition to his parents, he was preceded in death by his daughter, Kristin; the mother of his children, Patricia (Begley) Crowley; and his sister, Deanna Robinson. Dennis is survived by his children, Kerry Hudson (Bryan), Timothy Crowley, Kelly Crowley and Caitlin Crowley; and his 7 grandchildren.

Final care for Dennis has been entrusted to Parsell Funeral Homes and Crematorium, Atkins-Lodge Chapel, Lewes, DE.

I am very sorry to hear of Dennis's passing. I send my condolences to his family as well. I worked with Dennis at DSEA and agree with George: he could be very difficult one day and kind and helpful the next. I learned what I know about lobbying and Delaware's political system from him. We often were at odds about what to tell our members because of the nature of his work and the nature of mine: his to keep confidences and his reputation as an honest lobbyist, and me to tell our members what I thought they needed to know in order to better advocate for themselves. The day I finally understood this was the day I appreciated his work and all that he accomplished and stopped fretting! Much of Delaware's education law (the good laws that promote quality education for all and a voice for educators, as well as compensation and working conditions) was drafted and/or skillfully negotiated by him with legislators, administrators, the Dept. of Education and/or the State Board of Education. May he rest in peace. Pam Nichols Retired Dir. of Communications - DSEA

Dennis was a colleague of mine at the Delaware State Education Association. On some days he was the most irascible individual you could meet...and on most days he was a caring and gifted individual. I missed Dennis when he departed DSEA and I have missed him over the years since. He was caring! He was well grounded! He wanted everyone with whom he came in contact to be successful. I sadly say to his family, thank you for sharing him...I grieve with you at his departure.
