"K Man" as I used to call Gene taught me everything I know today about sales and how to close the deal. I was very fortunate to be mentored by an old school dude like Gene. You could always run by him any scenario in work or life and Gene had nothing but great wisdoms to impart to you. Great guy and I was so lucky to have known him having worked with him for almost 27 years or more. My deepest condolences to Mary Lou and the family. He is already missed. Smiley El Abd

We will always remember Gene as a great story teller and proud Marine who served in the Korean War as a young soldier. We will miss seeing him sitting on his front porch with many stopping by to sit with him and share stories. Thank you Gene for your service to our country and for being a wonderful friend to so many. ❤️
