When I think of Marion I think how detail oriented she was. I guess that was the teacher in her coming out. Marion always had a smile on her face and a hello for you. She will be missed not only with her family but also her friends at the Vineyards. Betty Murphy

Marion was one of a kind. She was such a positive influence to all of us in the Vineyards community. She worked endlessly planning events for the community. Never was a friend's birthday missed without a beautiful handmade card from Marion. She will be missed by her many friends in the Vineyards.
