Dear Rita and family, so sorry to learn of Dan's passing. I have so many memories of you and Dan working together with me at University Village. We had fun. I could tell a lot of stories about Dan that made me laugh. I always loved him, he called me "missey". And remember years with the Rainbow bowling league? You and Dan were such good bowlers. You made up for the lack of talent that David and I did not have. In the end I am so happy to have known him. And you. Best wishes to you, Rita. I hope your future is good. Thank you for the years of friendship we have shared. P.S. remember the Caprese that Dan drove us to our wedding so many years ago? ❤️ ❤️
