I fished for many years with Joe on trips out of fisherman Wharf. You always knew when Joe was on the boat. Every time he showed up to fish one would think that it was Joe's first trip. He was that excited. I will always cherish our fishing time together. He spoke highly about his family and I could tell he loved them a lot. My heart goes out to you for your loss. In Joe's memory I will make a donation to the Make-A-Wish foundation. Mel Hershey
